## **Chamber of Commerce meets with Integrity Chamber Representatives**

On Thursday, March 19<sup>th</sup>, 2015 President of the Chamber of Commerce President Peggy Ann Brandon met with the Quarter maker of the Integrity Chamber, Mr. Richard Begina and Mr. Marc Arnold Department head of the Department of Interior and Kingdom affairs. Parties exchanged views on how an integrity chamber established could successfully function and duly support our community. Parties underscored the importance of good communication between entities and the business community to further support integrity throughout the business community. Properly established with clear authorities and procedures within our legal framework are just some of the prerequisites for success of the Integrity Chamber.
